RE: Purchase of timeshare interest by Kendra & Heather from Eldorado Resorts Corp. d/b/a Eldorado Development Corp. (the "Developer") under Contract No. 00024046585 (the "Contract")

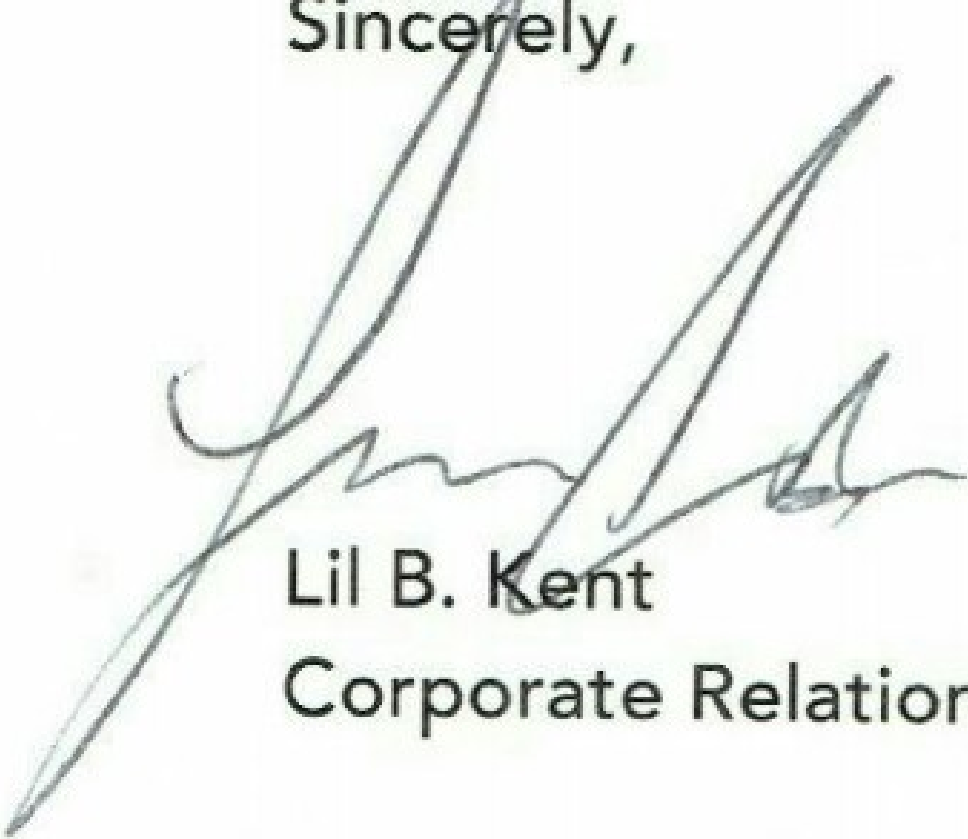

Dear Maria Zalarmi Macalanda & Paul Christian Alejo,

The Developer is in receipt of your letter dated February 10<sup>th</sup>, 2016 (the "Letter"). We acknowledge your representation and instruction to cease communication efforts with referenced contract listed above.

I have reviewed the file for the Contract at issue and find no evidence of any wrongdoing on the part of the Developer. Therefore, the Developer denies the allegations of abusive practices and misrepresentations as stated in the letter. Despite the fact that we disagree with your allegations and as a result of the mortgage default, the Developer has cancelled the Contract and is retaining the deposit and all funds paid at closing. Since the default occurred prior to the deed being recorded in the public records, the Consumer do not need to execute a deed to return the timeshare interval to Developer.

The Developer will not be reporting this matter to any credit reporting agency and no further action will be necessary to conclude this matter.

Sincerely,

Lil B. Kent
